EXPERINCE

Odd Truth Inc | New York, NY

Editor and Producer

2009 - Present

Odd Truth is a media production company that currently specializes in comic books, graphic novels, short-form videos, and other forms of storytelling.

- Edited promotional videos of sci-fi epic series *Torchbearer* using artwork from comic book series.
- Produced several short films: *A Bad Luck Guy in a Bad Luck Town* (2015), *Miser's Dream* (2018), *Free Bird* (2018), *Blue Bison* (2021) and *The Other Side of Fortune* (2023)
- Served as uncredited additional editor in *Miser's Dream* and *Free Bird*, color-correcting footage, organizing footage and fixing pacing issues in main musical sequence (*Miser's Dream*), and in compositing VFX shot of dead bird (*Free Bird*), among other sequences.

Dedual Enterprises Inc | New York, NY

Lead Software Engineer

2008 - Present

Worked at a tech consultancy that specializes in mobile app development, remote and on-site debugging of troublesome applications, creation of both rapid prototype solutions and production-ready applications for our clients, with an emphasis on iOS and tvOS platforms, virtual and augmented reality applications. Have worked with start-ups (Rad Hires, Sneakers Agency, PodOp), mid-level companies (Atlas Obscura, Barbarian Group, MXM Hyperfactory, OTG Management, Big Human) and multi-national corporations (Intel Corporation, PepsiCo).
